Golden Gater

Vol. XXXI, No. 1, Z55 September 14, 1939 Page 1

MARIN TONIGHT!

As the Gater Sees It

By ALEX EDELSTEIN

They say that the first time is the toughest; the first time you painfully extract the family car from the folks, dentist style; the first time you get out on the dance floor; the first time you get an "A" in any school at any time. I know.

But one of the most popularly recognized hard "firsts" is the first term in college. Essentially it is a readjustment of your high school maladjustment, a refurbishing of high school shortages, speaking in a mental vein again, and a stepping stone to the world beyond, for better, for worse.

The most difficult period in college is that of adjustment to changing conditions. It is a period of self-reliance. Don't go to class if you don't want to, don't do your homework if you don't wish to, don't do anything at any time, anywhere. There's no teacher to hound you. Its entirely up to you. Do the work or fall by the wayside with countless others.

But there is another phase. That of social readjustment. New faces, new ideas, new problems will all pass in heterogenous, kaleidescopic review. It will be hard to look on from the outside, to restrain human ambitions to plunge into the midst of it and show what you can do. For after all, you'll be just a freshman, who doesn't know anybody but a few of your own equally classed mates.

The moral of the story?

That's easy!

At the current time there is a readjustment taking place on the Golden Gater. New editors have just stepped into their positions. Only one edition has rolled through the presses. There are no feature writers. The few veterans from last semester are all equally ranked. There is a chance for high school journalists to step into ranking spots as reporters and assistant editors. We can honestly state that Golden Gater positions were never so wide open to experienced writers as they are today.

No organization, no newspaper can exist in red blooded vitality without new, young blood. Here is an opportunity for freshman, fellows and girls alike, to contact prominent students and faculty, here is a chance to get around, literally and figuratively. Do not think that experience is essential. If you can't write, we'll teach you to write.

There will be a meeting Monday at twelve o'clock in Room 209. We urge all those interested to attend. Pictures of campus life will be shown. Editors will be introduced. Just remember that you don't need any ability. Look at me. I've been writing for two years!

• • •

Tonight scores of loyal Staters will journey across the bay to see the football team battle Marin. Don't think it's going to be all State. Remember last year when we started off with Placer J. C. and everyone figured on going up to the dance early. They thought it would be easy. Some did go up early, in disgust. Placer won, 6-0.

Tonight sees almost the same setup. Marin also has one game under their belts and the betting odds against them. Let's go to Marin ourselves and see that it doesn't happen again. It's always the best way.

Four Million Dollars To Be Spent On New Campus, Roberts States

With the signing of two bills by Governor Olson on July 18, San Francisco State's new campus project was given an official OK. The legislative measures sponsored by Senator John F. Shelley call for an appropriation of $300,000 for the purchase of a college site and the sale of the present campus property which is expected to net $400,000.

The proposed Ingleside-Lake Merced campus includes 56¾ acres of land which is bounded on the east by 19th Avenue and on the west by Harding Park and Lake Merced. It may be reached by taking a K car and transferring to an M. ,

Because of a delay in negotiations with the Spring Valley Land Co., the property has not yet been purchased, but plans are being made for an expansive ground-breaking celebration to be held when the deal is completed.

In the meanwhile state engineers are going ahead with plans for playfields, drainage system and roadways, and draftsmen are now working on a huge contour map which is so detailed as to include one foot contours.

After the land is purchased, the following steps will be necessary:

1. Completion of ground plans which will require four to six weeks.
2. Start of work on the stadium site after about four weeks; one and one-half years will be needed for its completion.
3. Beginning of building construction (after eight months) about one and one-half years required to complete this work.

Approximately four million dollars will be spent on the proposed campus if plans are carried out. The California State Department of Education has estimated the cost: Land, $300,000; Landscaping and playfields, $300,000; Training School Building, $400,000; Science Building, $325,000; Administration and Classrooms, $350,000; Library $500,000; Auditorium, $300,000; Music Building, $350,000; Fine Arts and Home Economics Building, $150,000; Student Activities Building, $100,000; Manual Arts Building, $100,000; Gymnasium, $280,00; Power Plant, $75,000, and Speech Arts and Little Theatre, $100,000. Total, $3,780,000.

The WPA is expected to contribute almost two million dollars on the project which will employ over one thousand men. The expected assets are: by Senate Bill 261, $300,000; by allotment from Governor Olson's budget, $400,000; sale of present property, $450,000 and WPA contribution, $1,730,000. Total, $2,880,000.

Necessary to complete the plant; $900,000.

San Francisco State's new campus project is the result of an eleven year struggle for adequate college buildings which culminated in a bitter legislative battle last June with a victory for State.

Bulletin

Sacramento, Calif., Sept. 13. A great deal of progress was made on San Francisco State College's building project today at a conference of State officials. Dr. Alexander Roberts, college president, reports that the last obstacle delaying the purchase of the land has been hurdled, and the deal State architects are now studying the type of architecture to be used on the Lake Merced campus.

Plans are being formulated to put NYA students to work on the new site, clearing the property.

Poetry Group To Be Formed

To provide an outlet and experience for all State students interested in writing poetry, Mrs. Ruth Witt-Diamant of the English faculty plans to organize a poetry group to meet twice monthly at her home.

According to present plans, the first meeting of each month will be devoted to the reading and criticism of the members' work. All who attend these meetings must write, although those who enjoy reading poetry and do not write are invited to attend the second monthly meeting which will be devoted to reading other good poetry.

Entrance requirements for the first group will be the submitting of at least two original poems. These are to provide an estimate of the writers' development, and they will also serve to avoid a start that is too elementary or advanced for the group.

Admission to the organization is open to all students interested in poetry. Mrs. Witt-Diamant plans to have local writers meet with the group occasionally. As all work will be extra-curricular, no college credit will be given.

All who are interested may contact Mrs. Witt-Diamant in her office, Room 206b in College Hall, or leave a note in her faculty post box.

FROSH NOTICE

Nominations for Freshman Class officers will be held today, Friday, Sept. 15, at eleven in the Frederic Burk Auditorium. The elections will be held the following Friday from nine to four in the Student Body Office.

ROBERTS VALENTINE SWEENEY

President Roberts welcomes the new students with the message, "It is the largest group of older students and new students ever to enter San Francisco yet, coming from the largest number of High Schools and Colleges. The tasks are probably more difficult than at anytime in the past. A spirit of tolerance, good will and understanding will be needed to make posible a happy and profitable experience. I am glad to pledge the help of Faculty and officials and ask from the student body the same degree of cooperation we have always had here at State College."

Dean Valentine, a dean of the College was quoted as saying, "I see an astonishing number of young people crowding about the halls and campus, and there seems to be a general confusion and noise, which suggests that something is going on. 'It must be,' saith the absent-minded professor, 'that registration is at hand. Yes, yes, come to think of it, I have a class schedule today.'

"Welcome, all of you, therefore to this conjested, outgrown, busy, happy place. To freshman and transfers we say, 'We're glad to have you. We hope you all succeed!' "

Bob Sweeney, student body president, says, "I welcome you new students with the hope that you will enter, participate, and cooperate in student government and social activities."

REGISTRATION BOOMS INCREASE GREAT

Last minute flash at 2:10 today, set this term's registration at 2,084 students; which is an increase of 127 over Sept. '38 enrollment, according to Miss Vance, registrar.

Three groups brought forth the registration system—the Deans' Committee, the Registrar's Office, and the Student Registration Committee. A bouquet to all three.

The Registrar's Office wishes to thank the Registration Committees, and especially Chairman Victor Ramirez; Traffic Committee Head, Morely Carrothers; Gym Commmittee Chairman; Doris Thompson; Information Committee Head, Sherry Auerbach; Counter and Files Chairman, Mary Ann Chapman; Book Distribution Head, Alice McMaster; and Publicity Chairman, Dorothy Thomas.

Game Begins 8 P.M. At Kentfield, Schiller, Reed In Starting Posts

State is going to beat Marin J. C. in Kentfield this night, and we can justify our prediction by facts and theory. The dope-sheet stands ready to be tested in tonight's game when "Ghost" Boyle sics his array of talent on the ancient Mariners.

If weight and experience and spirit mean anything, the Purple Tide should give the Mariners a sound beating. Boyle's first string backfield upsets the scales at the 178 pound average, outweighing Scoop Carlsons boys by eleven pounds per man. Last season's ground-gaining trio, Chad Reade, left half; Dave Schiller, full; and Bud Chandler, right half; all veterans return intact.

LAST SEASON

Bud Chandler is playing his last season for State in the right half position, and is a constant menace in catching aerial offerings.

(Continued on page 3)

Formal Assembly To Be Wednesday

Featuring a special surprise by Dr. A. C. Roberts, two numbers by the A Capella Choir an Gus Smith, organist, the Formal Assembly will be held Wednesday, September 20th, at 2 P.M. at the First Baptist Church.

Dr. Alexander C. Robers, president of the college, has promised a big surprise for the new students concerning the new college. He stated that plans for the new campus have almost been completed, and that construction is to begin soon. Mr. Roy Freeburg, director of the A Capella Choir, has planned two special numbers for the program. Gus Smith, budding State organist will also render two selections.

Student body officers, under the direction of Bob Sweeney, president, will be introduced to the students at this time.

The program is under the direction of Ed Smith, Chairman of the Formal Assembly.

STATE ON THE AIR

San Francisco State, already a pioneer among colleges in the field of radio broadcasting, adds to its laurels with a new series soon to hit the ether lanes. To be producd over KGO and a state-wide hookup by the California State Department of Education, the broadcasts will be entitled "The Story of San Francisco State." The college's past struggles and its future hopes and dreams will be depicted in three dramalogues written by Sherman Grant and featuring other State students in dramatic roles.

FROSH RECEPTION WEDNESDAY AT

New students will meet the faculty and student leaders at the A.W.S. reception at the Women's Gym, Wednesday, Sept. 20 between four and six. Informal in spirit, the reception offers new students the chance to meet their teachers and student officers freely, but they must have an invitation.

Train Excursion To Cal Poly

"Everyone has been looking forward to State's train excursion this fall. On this excursion there will be more excitement and fun than a three-ring circus—everyone is going to Cal Poly," said exuberent, Jim FitzGerald, the Billy Rose of State.

The trip this year is to San Luis Obispo to play Cal Poly. $6.50 is the total price and includes 2 meals, a dance, the game, and trasportation via the Southern Pacific.

Tickets will go on sale next week, with a $1.50 deposit, the rest in easy payments. FitzGerald has made arrangements with the San Francisco Chronicle to pay for the trip with subscriptions.

Shull Receives Stanford Degree

Claude A. Shull, instructor in English at State for the last three years, received his degree of Doctor of Education this summer at Stanford.

Dr. Shull completed his course work and examinations in 1933 and accepted a position as Dean of Golden Gate Junior College where he remained for three years. In 1936 he transferred to his present position at State.

Between hours of teaching during the last six years Dr. Shull worked on his dissertation: "The Suitability Of The Commercial Entertainment Motion Picture To The Age Of The Child." The dissertation is based on the idea that some form of protection is necessary to protect the child from detrimental influence so prevalent in a majority of modern movie productions.

ALPHA OMEGA

Plans for "rushing" new pledges to Alpha Omega sorority are now under way, according to Lucille Murphy, publicity director.

Jean Van Arsdale, president, sends this greeting to new students: "On behalf of Alpha Omega, I wish to welcome all new students to State. We look forward to meeting and assisting you newcomers, and hope that you feel free to ask our aid."

NEW S. P. S. PREXY

Bob Anderson was elected the new prexy of Sigma Pi Sigma at the first meeting of the current semester, held last Tuesday night at the home of Louis Quartararo.

The election of new officers, which was the main topic of business for the evening, found Jack McGann being elected to the vice-president's office, Ed Barry becoming the new treasurer, and Bob Buckley taking over the duties of secretary. Bob Cumming was re-elected to the office of custodian. and out-going president, George Fenneman was made fraternity representative.

FLASH

All students interested in Journalism are urged to attend a meeting in Room 209, Monday, September 18 at 12 o'clock. Editors for the coming semester will be introduced and policies will be outlined.

Pictures of campus life taken last semester will be shown. They will include candid shots of students and brief scenes of election speeches in the rally bowl.

Freshmen are especially urged to attend. No previous journalism experience is necessary.

EDITORIALS

Editorials and feature articles in the Golden Gater reflect only the writer's opinion. They make no claim to represent student or administration opinion. All unsigned editorials are by the Editor.

Today people are fleeing death,

generals are planning new maneuvers, merchants are getting dizzy trying to keep in step with price changes, munition makers are growing bigger smiles, and newspapermen are dropping right and left from exhaustion.

In all this wasteful hubbub, the first edition of the Fall '39 Gater can be expected to make scarcely a ripple. No reason, however, to give up. There's still a job to be done. It would be simple and easy if the attitude were isolation; if the paper could go on its own sweet way and give the air to "outside" happenings. But a college, like a nation, finds that isolation and living don't mix.

And so hermits being old fashioned, the Gater has the double task of publicizing campus events and making student interest a liason between studies at State and war in Europe. Certainly, it's a big mouthful, but the Gater will chew till it develops lockjaw.

Newman Open House

A meeting of the Newman Club executive committee will be held today at 12:15 in Room 208 College Hall to complete arrangements for the semi-annual Open House next Tuesday afternoon. All prospective club members who are interested in assisting with the Open House program are urged to attend.

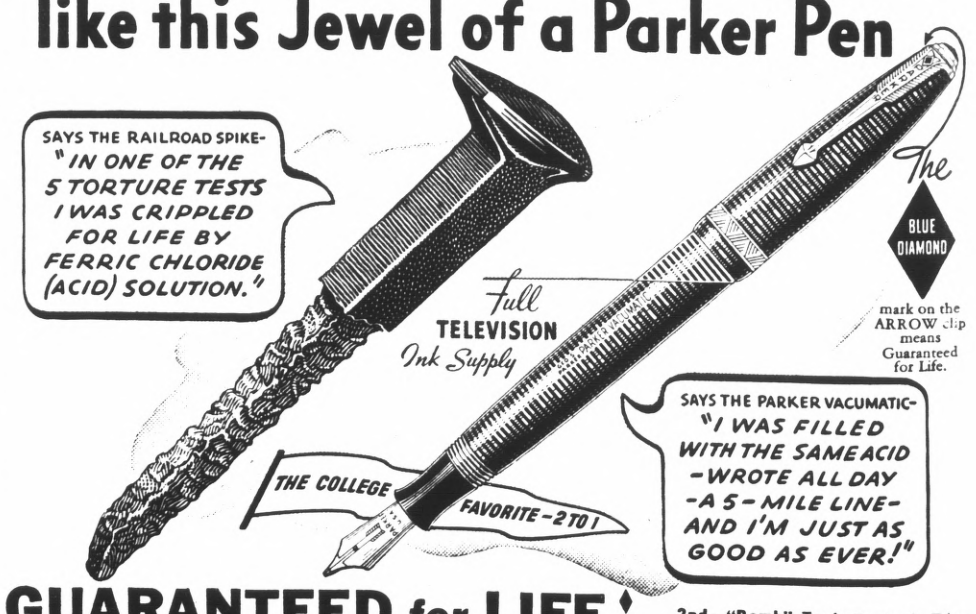
Even a Railroad Spike can't "take it" like this Jewel of a Parker Pen



SAYS THE RAILROAD SPIKE- "IN ONE OF THE 5 TORTURE TESTS I WAS CRIPPLED FOR LIFE BY FERRIC CHLORIDE (ACID) SOLUTION."
Full TELEVISION Ink Supply
The BLUE DIAMOND mark on the ARROW clip means Guaranteed for Life.
SAYS THE PARKER VACUMATIC- "I WAS FILLED WITH THE SAME ACID -WROTE ALL DAY -A 5-MILE LINE- AND I'M JUST AS GOOD AS EVER!"
THE COLLEGE FAVORITE-2 TO 1

GUARANTEED for LIFE ♦

(against everything except loss or intentional damage)

We're using more than 250 college papers to tell students of the 5 devastating and devitalizing feats recently performed by the Parker Vacumatic to prove it will last for life. No other pen we know has ever faced such torture. Yet the Parker Vacumatic did it—can do it any time—and come forth in perfect working order.

1st—Filled with Acid (strong ferric chloride solution which ate away a railroad spike) instead of with ink, this incredible pen wrote a 5-mile line with the acid on a revolving paper-covered drum and finished in perfect working order.

2nd—"Bomb" Test: Parker's Diaphragm filler encased in an oxygen bomb FOR WEEKS, where a single day equals 6 months' normal age—to prove its long life.

3rd—"Electrocution": Every Parker Diaphragm proved 100% leak-proof by exposing it to 5,000 volts of electricity which flashes a red light if there's even a pinhole leak.

4th—"Drip Test": Pens filled and hung points down for hours in frigid temperature, then in torrid temperature.

5th—Dropped 3,000 ft. from an airplane to prove the lovely laminated pearl barrel and cap are Non-Breakable.

You never saw such a pen. You never owned one. A sacless pen that holds far more ink than ordinary rubber sac pens—shows the ink level at all times, hence won't run dry without warning, in classes or exams. So go and see it now and get it for college and for life.

Pencils to Match: $3.50 TO $5.00

GUARANTEED FOR LIFE ♦ Parker VACUMATIC

Pens: All 14K Gold Points— $5.00 TO $12.50

♦ Pens marked with the Blue Diamond are guaranteed for the life of the owner against everything except loss or intentional damage, subject only to a charge of 35c for postage, insurance and handling, provided complete pen is returned for service.

INTRAMURAL TROPHY ATTRACTS ENTRIES IN FOOTBALL TOURNEY

Manager Pichotto Predicts Record Smashing Sign-up Before Next Friday Deadline; Four Division Winners Compete In Finals of Noon-Day Intramural Program

A record turnout of twenty-four teams answered the intramural football call last year but this semester's roster is expected to break that record if the optimism expressed by Manager John Pichotto materializes. Pichotto bases his prediction on the fact that the great interest shown last year will be carried over to make this football season the greatest ever at State.

A record turnout of twenty-four teams answered the intramural football call last year but this semester's roster is expected to break that record if the optimism expressed by Manager John Pichotto materializes. Pichotto bases his prediction on the fact that the male student body has been greatly increased and that the great interest shown last year will be carried over to make this football season the greatest ever at State.

Any bona fide class, club, or organiziation on the campus may enter a team. A team consists of seven to eleven players ready to play at the designated time. Dean David Cox has announced that all Freshman P. E. classes will enter the tournament while strong organizations such as Sigma Pi Sigma, Playground Directors, Phi Epsilon Mu, Alpha Phi Gamma, and Golden Gaters are expected to participate.

The entries will probably be divided into four divisions with the winner of each division meeting in the finals. All games will be played on the Upper and Lower Fields during the noon hour.

Any student wishing to gain experience as an official may do so by getting in touch with Dan Farmer or Manager Pichotto. Coach Farmer especially urges P. E. majors to take advantage of this opportunity.

Dope-Sheet Gives State Team Edge

(Continued from page 1)

Schiller

Dave Schiller, hard-hitting fullback, and a passer of no mean ability with two year's experience, can bring down more than his share of churning legs. Schiller handles his 179 pounds very fast in a low line-smashing charge that carries bad omen for the defense.

LOWRIE STARTS

Lowrie

Jim Lowrie, 195 pound quarterback, moves up to first string this season to handle the blocking duties in the Notre Dame system, as developed by head coach Dick Boyle. Lowrie is the hardest backfield blocker on the team and when Guy Swannack, 194 pound running guard pulls out of the line to run interference alongside Lowrie, Boyle will have his two toughest blockers running interference for triple-threat ball carrier Chad Reade.

Marin's backfield everages 169 pounds, with three positions filed by veterans. Hal Sawyer, speedy left half, leads the combination of Dick Schriner, fullback; Nook Ryan, punting right half; and Al Pederson, freshman quarterback. This is the backfield that held the Martinez Athletic Club to a 6 to 0 score after one week of practice. Hal Sawyer is exceptionally fast and punts with viciousness.

STEIN SHIFTED

Opposing Bill Stein at the center spot is 205 pound Harry Bakken, giving Stein a ten pound advantage.

Only two lettermen hold line berths in the Marin J. C. line, John Vincent, end; and Ken Smith, guard. The Marin forawrd wall will face the strongest line in the history of State, with four transfers bolstering Stat's line. New faces in the State line are Marvin Fairbanks, 190 pound tackle from S.F.J.C.; Guy Swannack hails from U.S.F.; and Bob Lee, another junior college transfer starts at left end.

Former Staters In Swim Meet

Pacing her national champion teammate in the two women's diving events, Mary Alice Jenkins, former State freshman, captured two second places in the Far Western A.A.U. swimming championships held last week at Fleishhacker pool.

Helen Crlenkovich, national springboard champion, and Mary Alice Jenkins, both from Fairmont swimming club, scored first and second in both the springboard and platform dives.

Henry Paris, mainstay of the State swimming squad last spring, swam under Crystal Plunge colors, winning two second places in the 200 and 800 meters freestyle races, and a third in the 300 meters individual medley, and figuring in two relay teams.

Other State students entered in the Far Western Championships were Harold Keller, Jean Hardeman, and Bert Singer.

Ex-Moragan Boyle Returns To Football Wars Tonight

Boyle Starts Eight Veterans Against Mariners Tonight In Initial Game At Kentfield

New Varsity Coaches Depend On Veteran Backfield As Reade, Schiller, Lowrie, and Chandler Get Call; Lack of Tackle Reserves Worries Assistant Coach

By BOB BUCKLEY

Coach Dick Boyle sends his first State football team into action this evening when the Gators ramble over to Kentfield to tangle with Marin Junior College's gridders.

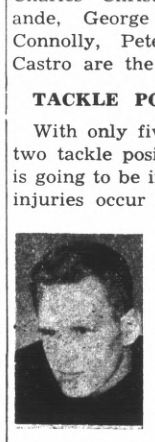
With only two weeks of practice, Coach Boyle still has not got a full line on all his ball players, so plenty of men should see action against the Mariners. Especially at the end positions there is a wide open fight. Twelve men are out for the flank spots, and only one is a seasoned veteran of last year's squad. Because of his experience Hal Meller will most likely draw the starting spot at right end.

The starting role at left end will be filled by Bob Lee, who did his former footballing at Jefferson High School. Although uninitiated in college ball, he has shown up well in practice and looks like he might have the stuff. A couple of boys who might be in the starting line-up next week are Bob Hodgins and George Thayer, who turned out for practice only this week. Both are letterman of two seasons ago, but as yet Coach Boyle has not much of a line on them due to their short time out. Two other fellows who saw some duty at end last year in understudy roles are Bob Moore and Bill Wendt. Both should see action tonight. Charles Christenson, Pete Mirande, George Lorbeer, Joseph Connolly, Pete Srsen, and Ed Castro are the aspirants.

Reade

TACKLE POSITION WEAK

With only five men out for the two tackle positions, Coach Boyle is going to be in a bad way if any injuries occur at this spot. Marv Fairbanks, who did some all-city playing for Lowell High back in 1935, and who did some fair ball playing with the S. F. J. C. squad is being heavily counted on to hold together the right side of the line this season. The left tackle job is being filled by three year veteran "Hook" Hanrahan. Ben Olsen, Socrates Pantages, and Jack Winter are the remaining tackle candidates.



Chandler

At the guard positions, the Staters look like they will be able to hold their own, with veteans Guido deGhetaldi, and Jim King out there along with USF transfer Guy Swannack, new men Jack Kelly, Joe Suttles, and Pete Perry are the other men out for guards.

In the centerspot Bill Stein looks like the number one man, with his 215 lbs. and former experience. A guard last year, he was shifted over to center this season where Coach Boyle believes he will be of greater value. Rounding out the list of centers are Bob Cumming, Wes Dahl, and Dick Muller.

The backfield will open up tonight with four veterans of last years team. "Rock" Lowrie is slated for the signal calling spot, Bob Chandler at the right half position, Chad Reade at the left half position, and Dave Schiller at full. Pressing Lowrie for the quarter back job are John Verducci and Bill Bojorques. Verducci, a transfer from S. F. J. C. is slated to see a lot of action tonight, as Lowrie may also be used at full.

Beside Chandler at right half are veteran Bob Norton, and new man Reno Cordoni. Norton will probably get first call. The left half position has, beside Reade, last year letterman Mario Machi and a couple of potentially good men in Dick Chin and John Holmgren. George Otis is the only other one out for full beside Lowrie and Schiller.

Jayvee Coach Uses 'Winning' Football System

Tom Bragg, junior varsity football mentor, will not employ the Notre Dame system as developed by varsity coach Dick Boyle. This was revealed this week when a promising bunch of material responded to the call, indicating the largest junior squad in their three-year existence.

Bragg believs he will coach the same system that gave State four wins in the seven game schedule last year, simply a double wing back formation without the delcate technique of the Notre Dame shift.

Refusing to give his "system" a name, the junior varsity tutor confidently smiled and said, "Call my system the winning system."

Football equipment wass issued to more than a score of spirited gridders during the week, with Bragg putting them through a light conditioning workout of exercises and wind sprints.

It is no secret that Bragg develops deceptive attacks that are shunned by more conservative instructors of the game. Tricky spread formations, balanced by sound line bucks, mark the unpredictable style of play used by the jayvees to overcome the weight handicap.

EXEC. BOARD NOTES

September 11, 1939

The first regular meeting of the Fall, 1939 Semester Executive Board was called to order at 7:40 P.M. by President Bob Sweeney.

Roll was called and Lou Morris was noted late. Ed Smith was proxy for Ken Johnson, and Dorothy Foppiano was proxy for John Mowbray.

There was no old business.

NEW BUSINESS

1. The football excursion to San Luis Obispo (Cal-Poly) on October 27th was announced. It was announced by Jimmie Fitz-Gerald that the price would be six dollars and fifty cents ($6.50) which would include lunch on the train, dinner in San Luis, the games, dance, and the price for the train trip. The committee for the excursions consist of Rosemary Saum, Ticket Chairman and Bill Abbey.

2. Applications for dances will be taken care of next meeting.

3. Peggy Smith, Vice-Pres. presented the social calendar: Frosh, 1st week.

Noon-day recreation
W.A.A. dance
Newman Club open house.
Nomination of Frosh, Sept. 15th.
Assembly, Sept. 20th.
Frosh Reception, Sept. 20th.
Phi Lambda Chi Open House, Sept 21st.
Low Jr. and High Soph nominations same as Frosh.

4. Frosh Hazing: Chairmen, Marge Greer and Jack Kelly. No date set for brawl as yet.

5. Co-op: Morning Glory Sandwich Co. offers to sell sandwiches to co-op cafeteria at same price as co-op now pays for Duchess sandwiches, and to set aside approximately one cent of their profit per sandwich to be used for scholarships, debaters' or athletes' trips, or in any other manner that the Executive Board sees fit. Mr. Smith suggested clarification of the offer and further investigation: Mr. Sweeney suggested that he would contact Mrs. Nattinger.

6. Mr. Smith moved that the sum of fifty dollars ($50.00) be granted to the President to be used. Unaminously passed.

7. Mr. Smith moved that roll be called for any financial matter and that everyone answer yes or no to his name. Fred Kline seconded. Mr. Sweeney suggested that the Roll Call method be used more readily for Board matters. It was further added to the motion that all important matters be voted upon in the same matter. Unanimously passed.

8. Mr. Sweeney and Mr. Fitz-Gerald are to leave for San Luis Obispo to make arrangements for the Excursion. Mr. Sweeney asked if that money be taken from the Executive Fund.

Miss Smith moved that thirty dollars ($30.00) be given to Mr. Sweeney for the trip from the Miscellaneous Fund. Seconded.

Roll Call Vote

Vice Pres.—Peggy Smith.....yes
Secty.—Dena Witte.....yes
Treas.—Fred Kline.....yes
W. Reps.—Thelma Rastad.....yes
Louis Vallarino.....yes
M. Reps.—Ed Smith.....yes
Jack Fisher.....yes
H. Senior—Lou Morris.....yes
H. Junior—Bob Anderson.....yes
H. Soph—Joe Edelstein.....yes
H. Fresh.—Dot Foppiano.....yes

Motion passed unanimously.

9. Supplies for Harold Martin. Mr. Sweeney said Mr. Martin would need one hundred and twenty-five dollars ($125.00) for his work in advertising.

Mr. Morris suggested that the Publicity Office be investigated by a committee so that his supplies would be regulated. Discussion. Mr. Smith suggested that Mr. Morris suggestion be referred to the Finance Committee. Mr. Sweeney o.k.'ed.

10. Noon Day Dances. Mr. Edelstein (member of Dance Committee) reported that he was under the impression that the Student Body subsidize Noon day dances. Miss Smith and Mr. Sweeney disagreed. Miss Murphy explained the plans already made.

Mr. Morris suggested the matter be tabled until the program be submitted. Mr. Sweeney suggested that rather than be tabled it be held over as unfinished business. Agreed.

Mr. Smith recommended that Noon Day Dances be handled as regular dances, to keep outsiders He also suggested that Winterland Ice Skating Rink be contacted for rates for students. Mr. Sweeney appointed him as a committee of one to look into the matter.

Noon Day Dances left as unfinished business.

11. Letter received from Dr. Roberts stating that he is at Sacramento to discuss type of building for new location. Repairs on present campus will be finished shortly (Tennis Courts). Dr. Roberts asked cooperation of the Board to keep smoking under control. No smoking in the buildings.

We have 9 more faculty members who have received Drs degrees. Dr. Roberts also sent best wishes for success of the new Board.

12. Elections are to be taken charge of by Dena Witte, Secretary. Nominations set for Friday Sept. 15th and elections Sept. 22nd. Frosh, High Soph, and Low Jr.

13. Mr. Ken Johnson, representative, has left school and his vacancy to be taken care of by an election during the 4th week of school. Mr. Sweeney appointed Mr. Smith in Mr. Johnson's place temporarily. Mr. Smith was also placed in charge of the Student Body Formal Assembly. Mr. Smith asked that all new and old students attend the assembly.

14. Mr. S. P. Sweeney informed the Board he had taken upon himself to have the Student Body office cleaned. Board approved. It was moved by Miss Smith and seconded by Mr. Smith that the matter be referred to Finance Committee.

15. Committee appoinments.
1. Financial, Fred Kline, Chairman
2. Deputations, Jack Fisher, Chairman
3. External Relations, Bob Anderson, Chairman
4. Internal Relations, Thelma Rastad, Chairman
5. Constitution, Ed Smith, Chairman
6. Activity Council, Peggy Smith, Chairman

16. Mr. Smith moved that Ru Stone, Student Body poster maker be employed at fifteen dollars a month ($15.00). Seconded by Miss Smith. Passed unanimously.
